Paper ID: ICICCT- 0166

Title: An Integrated Approach to Network Intrusion Detection and Prevention

Dear Author,

With the heartiest congratulations, we are happy to inform you that based on double blind review process and the recommendations of the conference review committee, your paper mentioned above has been accepted for publication and oral presentation on the International Conference on Inventive Communication and Computational Technologies [ICICCT 2019].

ICICCT 2019 is a Springer approved conference and all the registered papers will be recommended for publication in springer "**Lecture Notes in Networks and Systems**". ICICCT 2019 gives due recognition to great achievements of students, researchers and industrialists in the promotion and effective utilization of their research works. Herewith, the conference committee sincerely invites you for oral presentation at ICICCT 2019 to be held in Namakkal, India, **29-30 April 2019**. For more information on the conference kindly visit ICICCT 2019 website at: <http://icicct.org/ICICCT2019/>

Yours' Sincerely

Dr.G.Ranganathan
Conference Chair ICICCT 2019
